## PANDOMIC Consortium Meeting

On November 20, the **PANDOMIC consortium** gathered at the Laboratoire national de santé (LNS), for the **annual consortium meeting**. It was the opportunity to discuss the **project's progress and results** since its launch in July 2023, until November 2024.

**NOVEMBER 2024 - WP5  
TWINNING VISIT**

© PANDOMIC Consortium – All rights reserved

Last November 18 and 19, the **LNS Microbiology department** welcomed three members of **INSP**: LNSP Director **Teodora Vremera**, Chemist **Adina Gatea**, and Medical Doctor **Mihaela Leustean**. This visit enabled the exchange of expertise in **genome sequencing, genomic surveillance of COVID-19 and other respiratory viruses –such as influenza virus – and accreditation processes**. Moreover, this was the opportunity to discuss the implementation of **digital polymerase chain reaction (dPCR)**.

**OCTOBER 2024 - ROMANIA  
STAKEHOLDER MEETING**

© PANDOMIC Consortium – All rights reserved

Last October 17, in Romania, the **INSP** and the **IC** organized a stakeholder meeting with representatives from the **Institute of Diagnosis and Animal Health** and the **Romanian Ministry of Health**. The main goal of this event was to create **partnerships** to ensure **complementarity** and **knowledge sharing** in **microbial genomics** and **data analysis**.

This is essential to develop a **strong national integrated genomic surveillance program**.
